

Educational Essential Act In Balochistan Education Dept

Education was the backbone of every society. But, it was more need in ignorant society of Balochistan. So, for improving the state of education Education Essential Service Act was approved hereon August 19 and imposed after confirmation by the Governor Balochistan imposing ban on teachers protest, lockout classes and boycotting classes. But, teachers organizations contacted the high court in imposing amendment in education as Essential Service Act. Teachers have also given a call of holding protest and demonstration after approving of Education Essential Service Act. All the teachers opposed this Essential Service Act of Education through which the voice of the teachers would be duress.

A press release had been issued from the secretariat of Balochistan Assembly underlined that after giving approval by the Balochistan Assembly on August 19 2019 of imposing the Balochistan Essential Education Service Act The Limitation (Amendment Act) and Balochistan Civil Court Amendment Act with confirmation of the governor, it would be imposed and executed.

Chairman of Government Teacher Association Habibur Rehman Mardanzai understood that education of Balochistan had been fallen to prey of dilapidated condition and this step would become a source of destruction further. Habibur Rehman Mardanzai asserted that the step that was taken by the current provincial education seemed inappropriate and contradictory with constitution of Pakistan. So, any future course of action would be soon finalized for this. As well as, they would contact the court very soon.

They would contact the court, therefore, some of the things seemed suspected Balochistan Essential Education Service Act. If any employees do any illegal work, he would be sentenced for three and years but no illegal work had been identified. As well as, many things also seemed vague and indistinct.

On the other hand, leader of Balochistan Employees Committee also warned about holding protestation and stretching any future course of action. Joiner Vice Chancellor of Balochistan Education Employees Committee Dur Muhammad Langov said that they would give all of protesting to the teachers in taking out all the teachers on roads and avenues against Education Essential Service Act and they are ready of sentences and arrestment.

Leader of Balochistan Employees Committee said that teachers' organizations gave sit-ins in front of Balochistan Assembly. Teachers' organizations were of the view that Education Essential Act is actually for the security institutions like Pakistan Army, Police and FC but Education Department was a social organization. Therefore, imposing act on this is contradictory to the constitution. Hence, the legislation of the EEA was carried for the importance of education

being opposed by the teachers as destruction for education. So, impartial commission must be formed to solve the matter mutually.
